Taser: Bibliografía sobre estudios acerca de los dispositivos ECD
Electronic Control Device Research Index
Actualización: 31 de Julio de 2009

12. D. Panescu, M.W. Kroll, R.A. Stratbucker, “Medical safety of TASER conducted energy

24. Strote J, Angelidis M. Injuries Associated With Law Enforcement Use Of Conducted

38. Donald M. Dawes, MD; Jeffrey D. Ho, MD. Taser Wound Progression in Two Deployment Modes. Pathology/Biology. AAFS 2009. Date added to index 2/25/09.

40. Ho, J.D., D.M. Dawes, and J.R. Miner. Multiple Simultaneous Exposures of the TASER X26 in Human Volunteers. 2009, CardioRythm, Hong Kong: Dept. of Emergency Medicine, Hennepin County Medical Center, Minneapolis, MN Dept. of Emergency Medicine, Lompoc Valley Medical Center, Lompoc, CA. Date added to index 2/25/09.

41. Ho, J.D., et al., Can Prolonged TASER X26 Exposure or Continued Exertion Contribute to Sudden Cardiac Death Through Worsening Acidosis? 2009, CardioRythm, Hong Kong: Dept. of Emergency Medicine, Hennepin County Medical Center, Minneapolis, MN Dept. of Emergency Medicine, Lompoc Valley Medical Center, Lompoc, CA. Date added to index 2/25/09.

44. Hall CA. Public risk from tasers: Unacceptably high or low enough to accept? CJEM. Jan 2009;11(1):84-86. Date added to the index 2-5-09.

48. Ho JDM, Dawes D. M, MD, Miner J.R. MD. Human Cardiorespiratory and Acid/Base Effect of a Civilian Conducted Electrical Weapon: Hennepin County Medical

53. Ho J, Heegaard W, Dawes D, Miner J. Introduction of a Electronic Control Device in a Hospital Setting: Eight Months of Use: Hennipin County Medical Center Lompoc Valley Medical Center; Caribbean Emergency Medicine Congress 2009. Date added to index 1/5/09

54. Dawes D, Ho J, Miner J. The Neuro-Endocrine Effects of the TASER X26 Conducted Electrical Weapon Hennipin County Medical Center, Minneapolis, MN Lompoc Valley Medical Center, Lompoc, CA: Caribbean Emergency Medicine Congress 2009. Date added to index 1/5/09

55. Dawes D, Ho J, Reardon R, Miner J. The Physiologic Multiple Simultaneous Electronic Control Device Discharges Hennepin County Minneapolis, MN Lompoc Valley Medical Center, Lompoc, CA: Caribbean Emergency Medicine Congress 2009. Date added to index 1/5/09

60. Jauchem JRP. Deaths in Custody: Are some due to electronic control devices (including TASER devices) or excited delirium? Journal of Forensic and Legal Medicine. 2008. Date
61. Butler C. Police/Public Interaction: Arrests, Use of Force by Police, and Resulting Injuries to Subjects and Officers- A Description of Risk in One Major Canadian City. Calgary: Department of Emergency Medicine, Vancouver Island Health Authority; 2008. Date added to index 2/2/2009.

64. Ho J, Dawes D, Miner J. The Neuro-Endocrine effects of the TASER X26 Conducted Electrical Weapon Australasian College of Emergency Medicine. Vol Wellington New Zealand: Hennepin County Medical Center, Dept of Emergency Medicine Lompoc Valley Medical Center; 2008. Date added to index 12/3/08

67. Ho, J., et al., Echocardiographic Determination of Cardiac Rhythm During Trans-Thoracic Wireless Conducted Electrical Weapon Exposure. 2008, American College of Emergency Electronic Control Device Research Index Friday, July 31, 2009 Physicians Scientific Assembly: Hennepin County Medical Center Date Added to Index 11/4/08

71. Dawes, D, Ho J, Miner J. Echocardiography Evaluation of a Long Range Electronic Control Device (ECD) in Human Volunteers. Hennepin County Medical Center: European Society
of Emergency Medicine Scientific Assembly, Munich Germany Sept 2008 Date added to Index 9/15/08

72. Ho J, Dawes, D, Miner J. Serum Biomarker Effect of Prolonged TASER XREP Device Exposure. Hennepin County Medical Center: European Society of Emergency Medicine Scientific Assembly, Munich Germany Sept 2008 Date added to Index 9/15/08

73. Headquarters POGatETaPN. Operational Evaluation of the New Zealand [TASER ECDs] Trial: New Zealand Police; February 2008 Date added to Index 9/10/08

74. Ho J, Dawes D, Reardon R, Moscati R, Gardner R, Miner J. Cardiac and Diaphragm Echo

75. Evaluation During TASER Device Drive Stun. Hennepin County Medical Center: National

76. Association of Medical Examiners; Sept 2008. Date added to Index 9/10/08

77. Ho J, Dawes D, Miner J. Serum Biomarker Effect of Prolonged TASER XREP Device

78. Exposure. Hennepin County Medical Center: National Association of Medical Examiners; Sept 2008. Date added to Index 9/10/08

79. Dawes D, Ho J, Lundin E, Olsen J, Miner J. The Effect of the eXtended Range Electronic

80. Projectile (XREP) on Breathing. Hennepin County Medical Center: National Association of Medical Examiners; 2008. Date added to Index 9/10/08

82. Evaluation of a TASER-X26 Application in the Ideal Human Cardiac Axis. Acad Emerg Med 2008 Date added to Index 9/10/08

84. Panescu D, Kroll M, Stratbucker R. Theoretical Possibility of Ventricular Fibrillation During Use of TASER Neuromuscular Incapacitation Devices. 30th Annual International IEEE EMBS Conference: St Jude Medical; 2008. Date Added to Index 8/25/08

87. Mukherjee A. TASER’s (letter of review). July 2 CMAJ 2008. Date added to index 8/17/08

90. Braidwood Commission Vancouver British Columbia. Date added to index 6/27/08.

106. Dawes, D., J. Ho, et al. (2008). The Effect of the eXtended Range Electronic

114. Swerdlow C, Kroll MW, Williams H, Biria M, Lakhireddy D, Tchou PJ. Presenting Rhythm in Sudden Custodial Deaths After Use of TASER® Electronic Control Device. In. Cedars-Sinai Medical Center, Los Angeles, CA, University of Minnesota, Minneapolis, MN, San Marcos Police Department, San Marcos, TX, University of Kansas Medical Center, Kansas City, KS, Cleveland Clinic, Cleveland, OH: Heart Rythm Society; 2008. Date added to index 5/18/08.

115. Lakhireddy DR, Biria M, Baryun E, Berenbom L, Pimentel R, Emert MP, et al. Can Electrical-Conductive Weapons (TASER®) alter the functional integrity of pacemakers and defibrillators and cause rapid myocardial capture? In. Heart Rythm Society: MidAmerica Cardiology @ University of Kansas Hospital, Kansas City, KS, University of
Minnesota, Minneapolis, MN, Southlake Regional Health Center, Toronto, ON, Canada; 2008. Date added to index 5/18/08.

121. Roberts JR. InFocus: The Medical Effects of TASERs. Emergency Medicine News; 2008. Date added to index 3/17/08.

126. Ho JD, Dawes DM, Lapine AL, et al. PROLONGED TASER® “DRIVE STUN” EXPOSURE IN HUMANS DOES NOT CAUSE WORRISOME BIOMARKER CHANGES Hennepin County Medical Center: National Association of EMS Physicians; 2008.[[ Date added to index 1/21/08.

134. Dawes D, Ho J. Excited Delirium, Police Physicians Section Track. 114th Annual IACP Conference: International Association of Chiefs of Police; 2007. [[ Date added to index 12/27/07.]
